**Between Training 1 and Training 2:** in their local working contexts, every participant will make at least two sessions with the target group to test the tools developed during the first mobilities and to evaluate them with the help of a standardized questionnaire given to them.

**Job-shadowing:** In addition, between the two trainings 5 participants to do job-shadowing with our Italian partner (Associazione Interculturale Universo).

They will learn about Universo's activities, services and approach as regards the social inclusion of particularly young refugees. They will benefit from practical training to gain new skills and to evaluate a possible transferability to their work context. They will be involved in the enrichment of the activities of the host organization and have the opportunity to promote, test and consolidate the NFE tools elaborated during the first mobility.

The application procedure for these mobilities will be presented at T1.
